Pro. 8/8/69 by Walker River Irrigation OF STATE ENGINEER
Dist. deny

This is to certify that I have examined the foregoing application, and do hereby ~~grant~~ the same, subject to the following limitations and conditions:

In accordance with the State Engineer's Ruling of July 28, 1970,
Application 25015 is hereby denied, on the grounds that its granting
would adversely affect prior rights of the Walker River Irrigation
District which include the lands under the application; and that the
issuance of a permit would create water administration and management
problems of a legal, physical, and financial nature.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and
not to exceed.....cubic feet per second.....

Actual construction work shall begin on or before.....
Proof of commencement of work shall be filed before.....
Work must be prosecuted with reasonable diligence and be completed on or before.....
Proof of completion of work shall be filed before.....
Application of water to beneficial use shall be made on or before.....
Proof of the application of water to beneficial use shall be filed on or before.....
Map in support of proof of beneficial use shall be filed on or before.....
